

Holden
Equinox

Equinox LTZ-V shown in Glory Red

Everything you need to power on

The Equinox has been engineered to suit our distinctive driving conditions. One drive and you'll know it's got the power you need for our open roads and the agility you need around town.

The 2.0L¹ Turbo Petrol Direct-Injection 4-cylinder engine gives you class-leading turbo power with a 9-speed automatic transmission¹. For grip on all road surfaces, the Equinox comes with Front Wheel Drive (FWD)² and All Wheel Drive (AWD)³ to keep you in control, no matter where your journey takes you.

1. LTZ and LTZ-V models only

2. LT, Black Edition and LTZ models only

3. LTZ (Optional) and LTZ-V models only

The spacious SUV that's bigger on comfort

The Equinox has plenty of passenger room and storage space, but as you'll see, there's a lot more to get excited about once you're sitting comfortably inside. On hot sunny days you can let the outside in with the dual-panel panoramic sunroof¹. Its panoramic size gives a real sense of openness so it feels much more impressive than a standard sunroof. And no matter how warm it gets outside, it's easy to keep your cool inside with dual-zone climate control² and ventilated front seats³.

Then when the weather turns colder, heated front and rear seats² will make sure everyone stays nice and cosy. The Equinox is all about giving you and your passengers a more comfortable ride, right down to the little things, like keeping your hands warm with a heated steering wheel³ and keeping the cabin quiet with Active Noise Cancellation technology.

Tech so advanced it's always a step ahead

The Equinox is an SUV that does the thinking for you. For starters, it can spot potential safety hazards up ahead and warn you with advanced safety technology, like Forward Collision Alert with Head-up Warning. You'll also feel safer knowing Autonomous Emergency Braking has got your back when you need it, and if you're drifting out of your lane, Lane Departure Warning with Lane Keep Assist will keep you on the straight and narrow. Along with advanced safety technology, the Equinox comes with lots of added bonuses the whole family is going to love, like Wireless Charging¹, phone projection featuring Apple CarPlay² and Android Auto² and a hands-free power tailgate³.

1. LTZ and LTZ-V models only. Requires a compatible device.

2. Requires a compatible device. Data rate plans may apply.

3. LTZ and LTZ-V models only.

Shown in Dark Moon Blue

Equinox LT

The Equinox LT puts lots of fun features at your fingertips. Apple CarPlay,¹ Android Auto¹ and the Holden MyLink infotainment system bring your favourite things, like your music and your friends, to the 7-inch colour touch-screen. You're going to love the convenience of Passive Entry and Push-button Start (PEPS) too. And if saving on fuel and reducing emissions is important to you, the Equinox has got you covered with an engine that stops automatically when at idle and restarts as soon as you step off the brake. When it comes to safety, you're sorted with Rear Cross Traffic Alert and Blind Spot Alert. The Equinox even makes parking a breeze, with Rear Park Assist and Rear View Camera to get you in and out of the tightest spaces.

Standard features on the LT:

- 1.5L Turbo Petrol engine with 6-speed automatic transmission
- Rear Cross Traffic Alert
- Side Blind Zone Alert
- Forward Collision Alert with Head-Up Warning
- Rain-Sensing Wipers
- Autonomous Emergency Braking (low-speed)
- Following Distance Indicator
- Lane Departure Warning with Lane Keep Assist
- Leather steering wheel
- Automatic High Beam Assist
- Safety Seat Alert

¹. Requires a compatible device. Data rate plans may apply.

Black Edition

The Black Edition is the Equinox that's perfect for when you want to stand out. The dynamic look of the Equinox is enhanced by a suite of unique black design touches and an impressive dual-panel panoramic sunroof, along with all the features that come standard on the LT. To top it all off, the Black Edition has HoldenEye safety technology that works like an extra pair of eyes looking for potential dangers and warning you before they can happen.

Additional features to LT:

- Dual-panel panoramic sunroof
- Black 19" Alloy Wheels
- Black grille surround
- Black exterior mirror caps
- Dark finish fog lamp bezel surround
- Chrome roof rails
- Front and rear floor mats

Shown in Son of a Gun Grey

Equinox LTZ

The Equinox LTZ comes with extra comforts to make your drive just a little more special. When it's chilly outside, you'll be glad to hear there are heated front and rear seats and dual zone climate control to make sure everyone is comfortable no matter where they're sitting. Not only that, but with four USB charge points and an 8-inch colour touch-screen equipped with Apple CarPlay¹, Android Auto¹ and Embedded Satellite Navigation², you'll be powering ahead even without a signal, keeping backseat drivers at bay.

Additional features to LT:

- 2.0L Petrol Engine with 9-speed automatic transmission
- AWD optional
- 19" alloy wheels
- Advanced Park Assist
- Jet Black leather-appointed trim
- Bose® premium audio system
- LED headlamps
- LED tail lamps
- Embedded satellite navigation²
- Heated front and rear seats
- LED interior ambient lighting
- Auto headlamp levelling
- Wireless phone charging³
- Digital radio (DAB+)
- Power driver's seat with memory
- Hands-free power tailgate
- Chrome roof rails

1. Requires a compatible device. Data rate plans may apply

2. Map updates may be available after the time of purchase of your vehicle. To enquire about the availability of map updates and associated costs, please contact your Holden dealer.

3. Requires a compatible device.

Dual-panel Panoramic Sunroof

Equinox LTZ-V

If you're after even more technology, you're going to love all the things we've packed into the LTZ-V. You can forget about messy cords, thanks to wireless phone charging¹. And if music is your thing, just wait until you hear the sound quality that comes out of the Bose® audio system. It's the perfect way to enjoy Digital radio (DAB+), giving you more choice with more stations. On a stylish note, the impressive dual-panel panoramic sunroof lets more of the outside in and you can still keep your cool thanks to ventilated front seats. But when the weather turns cold, the heated steering wheel makes sure your hands stay warm. Last but by no means least, All Wheel Drive (AWD) gives your Equinox better grip on all surfaces for a smoother, more comfortable ride.

Additional features to LTZ:

- All Wheel Drive (AWD)
- Dual-panel panoramic sunroof
- Ventilated front seats
- Power front passenger seat
- Heated steering wheel
- 360 degree camera

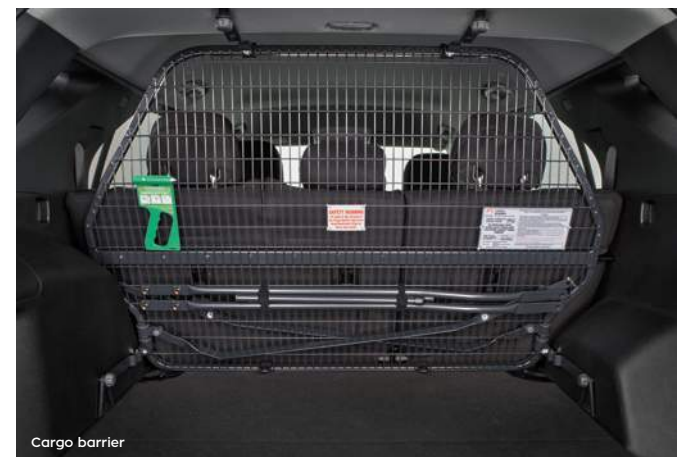

¹. Requires a compatible device

Give your Equinox the personal touch

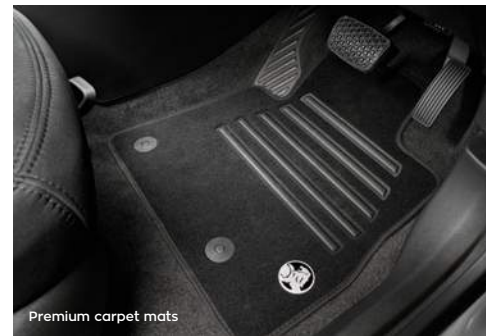

With everything from roof racks to a towing package, it's easy to personalise your Equinox to better fit your life.

- Premium carpet floor mats
- 19" Black Alloy Wheels
